Fax (205) 978-0330

Dear Friends of Summer Camps;

We are so glad that your child wants to come to camp this summer! We understand that you are inquiring about him/her receiving a scholarship from the Presbytery. This Presbytery has never turned away a camper because of their current monetary situation and we want to offer help so that your child can come.

Scholarships are provided by generous and caring individuals who want to help children and youth have a positive camp experience. Many campers benefit from these donations every summer and donations for the program are always accepted throughout the camp season and during the year.

Camp scholarships are **for up to half of the Tier II price** (see chart below). It will be the responsibility of the camper and/or their home church to provide the other half of the cost.

TO APPLY:

Step 1. Contact your church and see if they are offering any assistance for camp.

Step 2: Complete this form and return the form to the Presbytery Office or tstrickland@pslpcusa.org.

Step 3: Once approved, if you have not registered online, please do so at www.livingriver.org or pslpcusa.org

Step 4: Develop a plan for how Camper & Church will pay their portions of the fee to Living River.

Camper Name: _____

Parent Name _____

Address (Street) _____

(City) _____ (State) _____ (Zip) _____
