Presbytery of
Sheppards and Lapsley

Friends, how are you doing in this "new normal"?
Do you find yourself wondering if we learned
anything at all from living through
an Unprecedented Global Pandemic?
Is it harder than ever to manage your schedule and set
faithful priorities for yourself and your congregation?

If this sounds like you, join us for a conversation around
the work of the phenomenal Priya Parker, an industrial
psychologist and expert in helping groups gather
meaningfully. You can get a sense of her work by
checking out the articles and podcasts below,
or by reading or listening to her exceptional book,
The Art of Gathering: How We Meet and Why It Matters.

Put simply- join us for this conversation and we are
going to help you feel just fine about canceling (or at
least re-imagining!) some things that are not working.
